PRESIDENT'S MESSAGE

As we enter into the 12th year of the Abraham and Mary Epstein Family, Inc., we can certainly look back on many joyful and pleasure filled memories. In retrospect, as we remember the many interesting meetings--the heated ones, the exciting ones, sometimes agreeing, sometimes disagreeing--at least we can say--"it's been fun".

Speaking as one who can neither be classed as of the older group, or of the younger group, I can say that the programs for the coming year should be very interesting to both groups.

I am proud of the fact that G-d saw fit for me to be born into such a family as ours, and am doubly proud that you saw fit to make me your president for this coming year. May it be a good year for all of us!

Gale Greenberg
President

REGULAR MEETING

DATE Sunday, March 9, 1958

TIME 7:45 P.M.

PLACE Home of

Mr. & Mrs. Samuel Albert
85 Montvale Road
Newton Centre, Mass.

PROGRAM

HONORING THE GREENBERG FAMILY

Brief history of the Greenberg's

Abraham and Mary Epstein, in the little town of Slutsk, in Russia, contributed days to the Yeshiva Bochur, Abraham Greenberg, hoping that the Lord would grant them a son. However, in addition to a son they acquired a son-in-law, for their eldest daughter, Annie, married Abraham Greenberg in 1896.

When Abraham and Mary Epstein were settled in America, they first sent for their son-in-law and later Annie and her first child, Philip. Here, Edith, Yale, Jack, Phyllis, and Eddie were born. Annie and Abraham lived most of their life in East Boston where they carried on a large poultry business. They are remembered for their helpfulness not only by the Abraham and Mary Epstein family, but also by the many people in their community.

In 1922 Annie died, leaving us children then in age from five to twenty-five years old. Aunt Celia, may she rest in peace, cared for us until our father Abraham re-married. Later Grandma Mary Epstein lived with us for 8 years. Many of her words of wisdom still ring in our ears.

All the children have married and there are fourteen grandchildren, all carrying out their grandmother Annie Greenberg's hope for education. From Philip and Anne there are six beautiful great grandchildren.

At this time of honoring our family, the Greenberg's may I offer a fervent prayer for peace in the world so that this Greenberg Branch of the Abraham and Mary Epstein family, together with the rest of their clan and all the peoples of the world, may live in peace and happiness and that they may continue to honor their name.

LETTERS TO THE EDITOR

Brooklyn, New York

Dear Paula--

Thanks sincerely for your keeping me on the "Fame" mailing list. It is a fine well organized link into my relatives and into the past. Regards.

Sincerely,

Dr. Sam Slo-Bodkin

P.S. Send Aunt Minnie Ellis my best regards.

Ed. Note-- Thank you for writing to us, it is a pleasure to have relatives like you.

THANK YOU

May we take this opportunity to thank the installation committee for a job well done. It was very nicely planned, and I'm sure all who attended had a most happy time. The decorations were of very fine taste, due to Dorothy and Jim Ellis's efforts, and our M.C. Jim Ellis did an outstanding job of introducing and installing the new officers. Thank you, Ethel Maysles, for selecting the fine square dance instructor--he sure did help us all have a ball. It sure was a good way to start off a new year for our organization.

We want to thank all the outgoing officers for their outstanding job for the year 1957. Special thanks go to James Cline, who made an inspiring president in carrying out the traditions of our family.

ANOTHER STAR

We are always anxious to hear from our younger members. Today we have the pleasure of presenting a poem written by our newlywed, Audrey Albert Reimer.

THE MODERN VIEW

Live according to the dictates of thy mind:

And thy goodness of thy soul,
For if thou does, thou will find,
The greatest ultimate goal.

Oh earthly creatures we have no control:
Over external material things,
We must learn to play the fitting role:
And possess the power of worldly kings.

In thine heart possess not hate:
For thy neighbors, circumstance, or
 affairs of state
For we are all governed by an outside
 force

Because of this we must follow life's
 destined course.

In these days of struggle, tears and
 sorrow:

We may think that death is the only cure
But this, my friends, is not the road
 to follow:

Nor remedy for thine heart to be pure.

Oh sons of slaves and sons of kings,
Direct your thoughts and hear:
We must not give thought to material
 things:

And above all we must not live in fear.

Oh people of the past and of today:
We must bow our heads and joyfully pray
For happiness of heart will be God's
 decree

So give thanks my friends, for our
 thoughts are free--

IN MEMORIAM

In Loving Memory
 of
 ALAN BELMARSH

Whose warmth and smiling face
we will always remember

PERSONALITIES IN THE NEWS

By Ethel Maysles

And now a rare personality
I'd like to describe
While being president, she kept us
together, inspired and alive
She communicated with all absentees
And listened patiently to their
pet peeves.
She's reliable, she's lovable, she's
patient, she's kind
Such an enthusiastic member it is
hard to find.
She is always doing for others, and
wants no praise
That's why we all love her, and wish
her many happy days.

REPORT FROM FRANCE

The following is a letter received by
Ethel and Jim Cline from Eddie and Eva
Greenberg from France:

Dear Ethel and Jimmie--

Received your letter and was very glad
to hear from you. I guess that was the
first time that I got a letter from one of
the cousins since time began. Eva, Angela,
and Paul are all well and managing to stave
the Asiatic flu away. I, as usual, am
feeling well, for nothing can make an old
army sergeant ill, not even the food that
they serve in the mess hall. I have been
kept rather busy these days, for I have a
few jobs now, rather than one. My titles
range from Chief, Pictorial Div., Informa-
tion NCO, Orientation NCO, and Installation
Reenlistment NCO. Quite a few titles, but
not as bad as it seems. I work 5 days a
week, 4 to 5 hours a day, and I really have
a good time here. I am about the only
person here that knows the entire area, and
the location of all the Chateaux in the
Loire Valley of France. I am also the
official guide for this post, and have a
real good time conducting some of the VIP's
through the sites here. Although my
3 years are up in Sept. 1958, Eva and I
decided to extend our tour until Sept. 1959,
so that we may make many more visits through
Europe, and see the sites.

I hope all the family is well, and
give them all my regards,

Love -

Your Cousin

Eddie

Our most sincere good wishes go to Phyllis & Lou Stein on the occasion of their 25th Wedding Anniversary on May 10th. May you have only happiness and good health from now on. As is our custom in the family group, an appropriate gift was sent, and we hope you use it in the best of health.

RESERVE THE DATE OF JUNE 11 FOR OUR ANNUAL PICNIC AT NORUMBEGA PARK. LET'S HOPE IT DOESN'T RAIN THIS YEAR.

THANK YOU

HARRIET & YALE GREENBERG for the very enjoyable meeting at your home last month. The films were very interesting and colorful, and the refreshments were delicious.

ETHEL MAYSLES for taking us on the cruise with you, it sure was an experience.

ETHEL CLINE for conducting a very well planned meeting.

WHAT DOES "EPSTEIN" MEAN?

On a recent trip to Chicago, Uncle Harry came in contact with a fellow named Raymond Epstein, who questioned him about perhaps being a relative. Uncle Harry didn't think he was, and then this fellow said he would look up the origin of the name "Epstein". This is what he wrote to Uncle Harry:

Please tell me what my name means. There are hundreds of Epsteins in the N.Y. directory. I once selected a page full of Epsteins for an inquiry as to what they thought the name signifies. Some were indignant, and some answered truthfully that they did not know.

The name is of geographical origin, having been copied from the name of the little village of Ebstein, in the province of Styria, Austria. Ebstein is no longer in existence, but in the Middle Ages it was a powerful Jewish center. In 1496 the German Emperor Maximilian expelled all the Jews from Styria. It was then that a Levitic family decided to commemorate the name of the village in their family name. The first man to bear it was Rabbi Nathan Halevi Epstein, a leading German rabbinical authority. (the b and p were interchangeable). The family has produced an abundance of artists, scholars, scientists, and rabbis. There are so many of them that it would be impossible to encompass them all within the limitations of a newspaper article. It is a proud and venerable name closely intertwined with nearly 5 centuries of Jewish history.

ON THE HUMOROUS SIDE

"Mr. Lapidus", said the chairman of the charity drive, "you're the only man in this community who hasn't made a contribution, and I'm appealing to you personally to make our record 100%." "Listen", said Lapidus, "my father has arthritis and hasn't worked in 8 years. My brother is in the poorhouse. My sister has to scrub floors to take care of her 11 children. Not one of them has ever been able to pry a cent out of me. Now what do you figure your chances are?"

At the same fund-raising function, another wealthy cloak-and-suitier arose and announced in stentorian tones, "My name is Sam Schlepper and I'm the president of Maidright Dresses for Debs. One price, one quality for all; 22 dollars a doz., 2% off for cash. My address is 999 7th Ave., 3 floors and the penthouse. I'd like to donate to this worthy cause the sum of 10 dollars-- anonymously."

There was a young man with a hernia
Who said to his surgeon, "Gol dernia,
When improving my middle,
Be sure you don't fiddle
With matters that do not concernia."

It is not how much we have but how much we enjoy that makes happiness.

A well adjusted person is one who makes the same mistake twice without getting nervous.

If the grass looks greener on the other side of the fence, you can bet the water bill is higher.

PROBLEMS OF GROWING UP

By Cindy Levinson

My sister has a boy friend, Ted,
And I don't really care,
The only trouble is,
It really isn't fair.

Every night the telephone rings,
At exactly half past eight,
And he says to her the same old thing,
"How about a date?"

The thing that isn't fair is
At exactly half past eight,
My boy friend tries to call me,
And ask me for a date.

But my sister talks from half past eight
until it's half past nine,
I know her call is important,
But jeepers, so is mine!

By the time that she is finished,
And says good night to Ted,
By golly wouldn't you know it?
I have to go to bed!!!

DID YOU KNOW THAT.....

ANN GREENBERG recently came home from
the hospital after an eye operation, and
is recuperating nicely, Thank God.....

tronic Device meeting in Washington.....

in the Theater on the Green in Wellesley,
He's a real promising young actor.....

AUNT MINNIE is doing very nicely at her
Corey Nursing Home residence, and would
love more visitors.....

Russia, and is now on his way home,
stopping at Bulgaria, Yugoslavia, and
Germany.....

Shore Industrial Engineering Society.

Convention of the Amateur Cinematog-
raphers.

school, and will be playing Babson Inst.
in Wellesley. SAM & PHYLLIS recently

also designed some of the scenery.....

SAM ALBERT has had some more poem
accepted in a couple of poetry magazines...

FANNIE HOCHSTEIN, who is a niece by
marriage to Grandma Epstein of blessed
memory, has had several paintings shown
in an art gallery in New York. She got
some wonderful reviews by a famous
critic.....

PAULA ELLIS recently took part in a play
depicting some of the works of Sholom
Alecheim, at the Winthrop Community
Center.

THOUGHTS FOR THE DAY

When in doubt, do the friendliest thing...

Starving a ballot box is worse than
stuffing it.....

Good ideas do not drop into closed minds.

Some people are like buttons, always
popping off at the wrong time.....

Happiness is like a kiss - to appreciate
it you must give it to somebody else....

Some people are no good at counting cal-
ories and have the figures to prove it...

He who has never made a mistake has
never made anything.....

INSTALLATION HIGHLIGHTS

It was exciting to see the officers sworn in at our recent installation. Yale Greenberg, our installing officer, and Harry Albert, who did all the planning, and was the Marshall, did an outstanding job. Ethel Cline, our newly elected President, in her quiet, modest way, spoke eloquently, as she recalled her childhood memories in her grandma's house. She hoped to carry out grandma's dream of love and unity in our family. Ruth Branz presented Aunt Anne & Uncle Harry with the Merit Award for year in a wonderful manner. Harry's acceptance speech touched us all, as with tears in his eyes, he related events in our family history. It was a grand evening, which we hope to repeat for many years to come.

Please, let's have a 100 per cent attendance at this meeting, to launch the new officers to a most spirited and successful year.

QUOTABLE QUOTES

Readers Digest--October, 1961

The only gracious way to accept an insult is to ignore it; if you can't ignore it, top it; if you can't top it, laugh at it; if you can't laugh at it, it's probably deserved.

PRESIDENT'S MESSAGE

It was most gratifying to see so many of our family at the Chanukah party. As I looked about, and saw the pride in the parents and grandparents faces, as each child performed, proud not only for their own child, but for all the others, I recognized the spirit which we inherit from our beloved Abraham & Mary Epstein, and I too, was proud.

THANK YOU

To BARBARA MAYSLES, JUDY BRANZ, ETHEL CLINE, ELLIOT ELLIS, AUNT ANNE & UNCLE HARRY EPSTEIN, and the rest of the committee for the wonderful CHANUKAH PARTY we had this year. What a party! May you both have many, many happy Chanukahs to come, and we will all enjoy them with you. How our children have grown, and how they can perform! This event is one of the highlights of our organization. Please God, we will do it again next year.

GUESS WHO IT BELONGS TO?

Do you want to know the story of the mysterious CANDLE STICK? Just ask Aunt Ethel. She has all the details, and we think Aunt Anne has a few too.

Thank you for my father and mother
And my sweet little brother.

Thank you for the Temple where we pray,
And for the grounds on which we play.

Amen.

Oh, when they question why 'tis so,
this I reply:

It is not given us to know why mortal
live or die

With death men punish evil men when
once is fixed the blame,

But all have seen and will again, with
God 'tis not the same.

God sometimes takes our best away, too
soon, we think to die,

Trust Him to Know who still should stay,
and never question why.

ON THE LIGHTER SIDE

A woman who inherited a fortune moved into a Sutton Place apartment and hired a decorator, who asked, "What period do you prefer?"... The woman seemed puzzled, and the decorator explained: "There's the Chippendale period, Louis XIV period, Georgian period"... "Period, period, who knows?" said the woman. All I want is that you decorate my home in such a way that when my best friends walk in and see it, they should drop dead..Period."

PRESIDENT'S MESSAGE

TO THE ELLIS FAMILY

As a plant depends upon the nourishment of its roots for its growth and beauty, so does our family group. Among our strongest roots is that of the Ellis branch of the family, whose many virtues have been passed along to them by Auntie Minnie and our late Uncle Harris Ellis. I know I speak for all of us when I say "We are honored to be related to You".

REGULAR MEETING

DATE Sunday, April 20, 1958
TIME 7:45 P.M.
PLACE Home of Mr. & Mrs. James Cline
22 Beals St., Brookline, Mass.

PROGRAM

HONORING THE ELLIS FAMILY

THIS IS HOW THE ELLIS'S CAME ABOUT

The second child of Abraham and Mary Epstein, who is Goldie Minnie, left Slutzk, Russia, at age 13, with her father Abraham, back in 1895, to find gold on the streets of America. Remaining in Russia were Abraham's wife Mary, and six brothers and sisters. They arrived here and were met by Yale, Minnie's grandfather, who had a butcher shop in Boston. On the ship, Minnie met a man pioneering with his young son, Harris Ellis, age 19, who had left his mother and 16 older brothers and sisters in Russia. Following an extended courtship, Harris and Minnie were married at East Boston in 1901. They had four children. Jimmy the oldest, married to Dorothy (Sheper) of Portland, Maine, are the parents of Annabelle, who is married to Arthur Orenberg of Boston. They have 3 children-- Ellen, Joan, and Robert. Dorothy and Jim also have a son David who is married to Berenice (Bloom) of Boston. Minnie and Harris's next child is Edward (unmarried) a renowned world traveler. PLEASE NOTE

It is very generous of our various hosts and hostesses to offer their homes for our regular meetings, and we all appreciate it. However, it has been requested that those who cannot attend the meetings, please inform your host in time, so that they won't prepare food that will go to waste. Actually it's the proper thing to do, and we certainly are all very proper, are we not? Please do not forget to call if you are not coming.

THANK YOU

PHYLLIS and SAM ALBERT for the very nice meeting at your home last month. It was most enjoyable, and the refreshments were delicious.

YALE GREENBERG for the very interesting films you showed us. All who attended had a very nice evening.

PRESIDENT'S MESSAGE

The enthusiastic response at the Executive Board Meeting made me appreciate how eager our members are to carry on our family group. It was voted to give the organization "a new look" by eliminating business meetings as much as possible, and have the meetings, evenings of informal "family-get-togethers". Dues will still be needed to pay for the expenses like the Chanukah party, and the News Letter. Show that you share the Board's enthusiasm, by coming to the Chanukah party with your family, and to the Family-Get-Togethers this season.

Sincerely--

Ethel Ellis Cline

Dear Friends--

Thank you very much for the pretty bag you gave me, for you gave me something which I really needed, and saved me the trouble of shopping. Thanks again for your thoughtfulness.

(Ed. Note) Mrs. Levy was nice enough to give us that very delightful book review at our last meeting at Howard Johnson's.

FLASH! FLASH! FLASH! FLASH!

Due to the lack of meeting places, and a few other circumstances beyond our control, it seemed like the future of our organization was at stake. To try to eliminate these reasons, and because we do not want to lose our "togetherness", the Executive Board which included: Sam Albert, Frances Belmarsh, Ethel Cline, Jim Cline, Elliot Ellis, Paula Ellis, Jim Ellis, Harry Epstein, Bob Epstein, Jack Greenberg, Yale Greenberg, and Ethel Maysles, met at the home of President Ethel Cline, and came to the following decisions:

1. We will have approximately 3 to 4 meetings a year.
2. There will be no business meetings, nor any financial discussions.
3. There will be a minimal dues paying structure of \$3.00 per person per year to cover expenses, for which bills will be forthcoming.
4. Our get togethers will be social evenings, so that we can get to see each other and not lose contact.
5. The first meeting to be the Chanukah party.

PORTRAITS

By James J. Metcalfe

TOO LATE TO ERASE

You cannot change the words you write... Or even those you say...But you can change your mind before...You send them on their way...A letter mailed is out of reach...Of your repenting hand...And spoken words cannot return...By plea or by demand...Apologies are very nice... But they do not erase...The oral or the written words...That stare you in the face...So do be careful, first of all... About the way you think...By pencil or in ink...No one can criticize your thoughts...Condemn them or complain... As long as wrong or foolish ones... Remain inside your brain.

QUOTABLE QUOTES

Economists report that a college education adds many thousands of dollars to a man's lifetime income---which he then spends sending his son to college.....

Kidshave it tough. Where they used to walk to school and keep warm by running part of the way, now they stand and shiver waiting for the bus.....

PERSONALITIES IN THE NEWS

By Ethel Maysles

We are proud to call him our D.A.
For the interest of his family he works
without pay.
He drew up our charter, we signed our name
His predictions, you recall, appeared
in Fame.
He is our publicity man, sends in notices
long and clear
We are disappointed, when short ones
appear.
He's exact and precise, must have things
just right
So he put everything down in black and
in white.

THANK YOU

HARRIET and YALE GREENBERG for the nice meeting at your home last month. It was most enjoyable--especially your warm hospitality.

SOMETHING NEW HAS BEEN ADDED

At the last meeting it was decided to have a Hospital Visiting Committee to make visits to members who are ill. Our president appointed Frances Belmarsh and Elliot Ellis to this Committee. Please let them know of any visits that have to be made.

.....

Another innovation is to edit some of Grandma Epstein's sayings and stories that we so often repeat. Ethel Maysles is going to submit them. Here is the first one:

"BUBE MICIES"

Grandma always marveled at the miracle of having a car. Whenever she would ride in her oldest daughter's car she would say, "Kinderlach, tzu farkafen di hemd, un kafen a car". Translated--"one should sell his shirt to buy a car".
Ed. Note--I think some people do!!!

GOOD LUCK TO THE GRADUATES

The following graduates are to be the recipients of gifts this year:
Bobbie Epstein--College
Harvey Cline--High School
James Albert--High School
Charles Albert--College
Roger Davis--College
May you all have the best of luck in all your future endeavors.

MORE ABOUT THE PICNIC

Everyone young and old is welcome to come and enjoy the relaxation of the day with us. Bring your own lunch, and perhaps someone will have something you like better, and you can change with them. We hear the children are looking forward with extreme pleasure to the picnic at Norumbega Park, and they hope to have as good a time as in the past. We know they will, because the committee has planned a very interesting program for all ages. Come early and help us have a nice day. See you there at the picnic grounds.....

DID YOU KNOW THAT:

HARRIET and YALE GREENBERG are going to Washington, D.C. on May 30th to the Cinemetrography Convention.....

HARVEY CLINE has been admitted to M I T for next fall. He plans to major in Physics. Must be a chip off the old block.....

MARY ANNE CLINE will graduate from Devotion School in June, and has written a speech, and will play the piano at the graduation.....

DEANNA STEIN graduated from Hebrew School at Ohabai Shalom, and took a major part in the ceremony. On Saturday evening she celebrated with a gala party at her home. Congratulations, Deedee.....

ELLEN ORENBERG has recovered from a sore throat.....

DAVID and BERI ELLIS have returned from New York, where they spent the past year. David received his Master's Degree from the New York University of Law, where he specialized in "Taxation Law". Anyone for an offer?.....

ARTHUR ORENBERG has busily been engaged in conventions and symposiums along the Atlantic Seaboard, in connection with his activities in the electronic engineering fields.....

DAVID DAVIS set a very fine example at his Bar Mitzvah recently for the other young folks in our family. He did a splendid job throughout the entire services, and we are happy to tell him and everybody that we are proud of him.....

STEPHEN ALBERT won the National Merit award for young scientists. Good for you Steve--we are very proud of you. He also helped decorate the gym at the Brookline High School for the freshman prom.....
